14 Miller Road, Stony Creek, NY

Description: Want a place to get away from the rat race? This authentic log cabin has views of the lake to die for. The unobstructed view includes water and mountains as far as the eye can see. The great room makes it feel so much larger than it is and will sleep 8. The fireplaces in the living room and the master quickly take the chill off and supplement the propane heat. Spend the day at the beach, fish or paddle Harrisburg Lake or sit by the oversized firepit outside listening to the sounds of nature. If hiking, hunting, snowmobiling or camping is your thing, just 3 mi away lies over 24000 acres of state land and trails to Wilcox Pond, and it's just 25 miles to Lake George. You'll truly appreciate here all that the Adirondacks have to offer. **MOTIVATED SELLER!**
