MLS# - 202615970 - Price: \$599,000

10 Landon Hill Road, Chestertown, NY

Description: Now offered at \$599,000. With its rare combination of space, privacy, and flexibility, this Adirondack retreat is now more attainable than ever. Tucked away on 2.67 private Adirondack acres just 7 minutes to Friends Lake and Loon Lake, 15 minutes to Lake George/Bolton Landing, and 20 minutes to Gore Mountain, this fully renovated 3,372 sq ft retreat offers 6 bedrooms, 5.5 baths, and a rare separate apartment -- creating exceptional flexibility for multigenerational living, guest quarters, or supplemental rental income. Approximately 3.5 hours from Manhattan, this property was designed for the way people want to live, gather, and escape today. Located near Loon Lake, Brant Lake, Friends Lake, and Lake George, the home places you minutes from boating, hiking, skiing, restaurants, and year-round recreation. Enjoy nearby access to Loon Lake Public Beach, along with public beaches and lakeside dining in Bolton Landing. The Warren County snowmobile trail is located directly at the base of the road, allowing for true four-season recreation right from your doorstep. Inside, the home has been completely renovated while maintaining its Adirondack character and warmth. The layout was intentionally designed for entertaining and multigenerational living, featuring two kitchens, multiple living and dining areas, a large screened porch, slate patio, and spacious gathering spaces throughout. Three ensuite bedrooms provide ideal accommodations for guests and extended family. A graceful winding staircase with solid wood handrails and classic turned balusters serves as a striking architectural focal point, while scenic views from nearly every room reinforce the peaceful setting and connection to nature. With strong vacation rental potential, room to host large groups, and access to some of the Adirondacks' most desirable recreational destinations, this is more than a home -- it's a true four-season lifestyle property.
